### Day of Arrival and Departure

Rooms will be ready by 3pm on the day of your arrival. You are most welcome to arrive early and enjoy the hotel facilities. We are happy to arrange a late supper if you let us know that you do not expect to arrive in time for dinner. On your day of departure bedrooms need to be vacated by 11am and apartments by 10am.

### Early and Late Meals

We will be happy to arrange an early breakfast or late supper if you let us know the previous day. Packed lunches are also available for your journey home or if you are spending a day out and about.

### Special Diets

We try to cater for all special diets – please let us know in advance if you have any special requirements and our chefs will be happy to discuss menus with you.

### Smoking Policy

We would like to remind guests that all indoor areas within TLH Resort are designated non-smoking including all bedrooms and apartments. This includes the use of e-cigarettes. Designated smoking / vaping areas are located around the complex.

### Contagious Illnesses

For health & safety reasons and to protect all of our guests, your booking is made on the understanding that you have read the terms & conditions on our website relating to infectious and contagious illnesses. This includes illnesses that are present in the general population spread from person to person either directly or indirectly via surfaces such as Norovirus.

## Disabled Access

In line with current requirements for Visit Britain grading, we have prepared an accessibility statement for each of our hotels. This is available for your reference on our website [www.tlh.co.uk/access-statement](http://www.tlh.co.uk/access-statement), or from reservations on request. Any special requirements should be discussed with our private Reservations Team when you make your enquiry. Due to limited availability of parking spaces for disabled guests we can only reserve spaces when the driver of the vehicle is disabled and a Blue Badge holder.

## Accounts

When paying your account, we are happy to accept cash, cheques or major credit and debit cards. Pre-authorisation of credit or debit cards may be requested on arrival to allow for additional charges to your account during your stay.

## Conditions

Accommodation shall be used only by the persons listed on the confirmation letter. The person making the booking must be over 18 years of age. The manager may immediately retake possession of the accommodation if, in his opinion, any member of the party is guilty of conduct which is likely to cause unreasonable disturbance to others. The Hirer will be held responsible for the contents of the accommodation in his/her possession. Any breakages, loss or damage to the premises or fixtures and fittings must be paid for. Pets are not allowed with the exception of guide dogs for the blind and listening dogs for the deaf.

**We may monitor and record communications with you (such as telephone conversations and emails) for the purposes of quality and training.**

For additional terms and conditions, please see our website. A printed version is available on request.
