Gin Menu

Try our new range of delicious crafted gins.

Served with mixer of your choice.

GORDONS

Gordon's London Dry Gin is carefully distilled using a secret recipe. The distinctively refreshing taste comes from the finest handpicked juniper berries and a selection of other botanicals.

GORDONS PINK

Inspired by an original Gordon's recipe from the 1880s, the pink gin is perfectly crafted to balance the refreshing taste of Gordon's with the natural sweetness of raspberries and strawberries, with the tang of redcurrant served up in a unique blushing tone

BOMBAY SAPPHIRE

Based on a secret recipe from 1761, Bombay Sapphire is a 100% vapourinfused London Dry gin. This process gently releases the delicate flavours of the hand-selected 10-botanical recipe, creating a distinct, fresh taste with juniper at its heart.

HENDRICKS GIN

Hendrick's is handcrafted in Scotland, using the highest quality neutral grain spirit distilled through two different types of still for a unique blend of floral notes and depth of character taking from eleven different botanicals and a delightfully peculiar infusion of rose petals and most unusually cucumber.

SLINGSBY RHUBARB GIN

Made with 24 botanicals, (17 of which are locally sourced in Yorkshire), Harrogate aquifer water, pure single grain spirit and masterfully infused with locally grown rhubarb.

GORDONS SLOE GIN

Perfectly balanced dry gin & sweet sloe berries.

EDINBURGH GIN -PLUM & VANILLA LIQUEUR

This liqueur blends rich, luscious fruit with aromatic sweet and warm spice notes.

Edinburgh Gin Co selects the season's ripest Scottish plums to macerate with fine Madagascan vanilla.

This is then infused with classic Edinburgh Gin to produce a uniquely flavoured liqueur.

EDINBURGH GIN- ELDERFLOWER LIQUEUR

Elderflowers have a distinctive floral aroma and flavour that marry beautifully with gin botanicals. The summer's elderflowers are handpicked in full bloom and then infused with classic Edinburgh Gin. The flowers are then left to macerate for a month for full flavour extraction.

STONES GINGER GIN

On first sip, you get the traditional juniper flavours coming through, with bursts of fresh citrus and spicy cinnamon. The selected botanicals that are used in creating this Gin are complimented by the cheeky ginger kick, that Stone's is so well known for.
