### Jamie - Chef

Jamie has taken on the role of Head Chef, and has performed well in driving our new food menus forward. I'm not really sure what Jamie does outside of work as he always seems to be here! We can only speculate on his outside interests but he has recently got engaged so I am sure it's what he is told to do!

**Favourite quote** "it's coming in tomorrow"

### Dean - Chef

Along side Jamie, Dean is a BIG influence in our kitchen, pushing our food menus on with some great ideas and food presentation. Dean, unlike Jamie, is actually married so again their interests will be pretty similar outside of work. Unfortunately for Dean, his other half works on our bar so he is told pretty much 24/7 what his interests are! **Favourite quote** "Leeds will win the league this year!"

### Sally - Chef

Sally is a newcomer to our kitchen. In the last couple of months, she has fitted in well and keeps the boys in check. She doesn't say a lot but she has that Mothers' look (you all know guys... that stare! The one that could have you shaking in your shoes from 100 paces after playing up in Woolworths as a kid shouting "I WANT!") **Favourite quote** "Have you tried my marmalade?"

## Meet the kitchen team!

### Neil - KP

Our resident smoggie, Neil is always on the go (depends which management is around at the time). You can sometimes see Neil moving all the cardboard from the kitchen across to the bins. Unfortunately, it is a bit of a struggle in high winds and with Neil being not so tall (think Frodo or Bilbo Baggins) it can be quite a sight but he manages to do it. He always seems happy and generally has a smile on his face. **Favourite quote** "Chad is Middlesbrough on the telly?"

### Kevin - KP

"He is like a strange old hermit" to take a quote from a film, only ever popping out from behind the scenes every now and again. He tends to keep himself to himself in the kitchen, also being Scottish he tends to talk in his native tongue quite a lot.. mainly to himself! **Favourite quote** "asjhdjACusdkjHSwjds!" (can't translate!)

# SPOTLIGHT ON MANAGEMENT
