Walking

Whether you are a stroller or keen hiker, there are plenty of walking opportunities on the English Riviera, both from the hotels and a bit further afield.

Here are just a few suggestions of the self guided walks you can take in the area:

South West Coast Path – join the 677 mile long coast path from the harbour side in Torquay for stunning cliff top views.

Agatha Christie Mile – fans of the Queen of Crime can follow this route through Torquay, taking in some of the places that were inspirational in her life and works.

John Musgrave Heritage Trail – covering 35 miles in total, this walk covers parts of Torbay and further afield. This is more challenging and takes in a mix of terrains.

Brunel Woods – a gentle walk steeped in local history with stunning woodland landscapes and views.

Cockington Countryside Park – about a 15 minute stroll from the hotels is the thatched village of Cockington and its country park, perfect for a family stroll.

Ocombe Farm – kids will also love the Ocombe Farm trail where you can visit the working farm and explore the surrounding woodland.

More details of these walks and more can be found at www.englishriviera.co.uk

Golf

The South West is a golfer's paradise with both parkland and links courses, taking in some stunning scenery. There are at least 10 great courses in the surrounding area including Torquay, Churston, Dartmouth, Teign Valley, Teignmouth and St. Mellion.

Golfers are welcome to stay at any of our 4 hotels.

This includes illnesses that are present in the general population spread from person to person either directly or indirectly via surfaces such as Norovirus.

Disabled Access

In line with current requirements for Visit Britain grading, we have prepared an accessibility statement for each of our hotels. This is available for your reference on our website www.tlh.co.uk/access-statement, or from reservations on request.
