September 2021

## Welcome to the Indoor Season

After a turbulent year we are so pleased to welcome our bowlers back to TLH Leisure Resort for the start of the Indoor Season.

We wanted to take this opportunity to remind you what we have to offer bowlers here at TLH.

Please also take a look at our brand new website to find our more [www.tlh.co.uk](http://www.tlh.co.uk)

### Fantastic facilities and expert team...

- Superb 4 rink tournament standard indoor bowls arena
- Dedicated bowling team of Bowling Sales Executive, Bowls Co-ordinator and green stewards
- Selection of festivals, tournaments and breaks
- Choice of accommodation and stunning range of leisure and entertainment facilities
- Over 30 years' experience of hosting and organising bowls breaks

## Covid-19 Secure

Although social distancing and other rules have been lifted, we recognise that everybody has their own differing circumstances and feelings about 'getting back to normal'. With that in mind we are continuing with the increased cleaning procedures for areas which are touched frequently. We still have hand sanitisers around the Resort and in the Bowls Arena, and we are still advising that guests and our colleagues wear face masks in crowded or enclosed areas.

We are pleased to say that we have met the Covid guidelines set out by the EIBA and ESMBA and feel more than ready to welcome bowlers back for the indoor season.

Please take a look at the Festivals and Tournaments we have lined up for 2021/2022 and on the back page, find out more about how you can come away as a tour or bowls group.

*Happy Bowling!*
